A DETERMINED WOMAN Finally Found a Food that Cured Her.

"When I first read of the remarkable effects of Grape-Nuts food I determined to secure some," says a woman of Salisbury, Mo. "At that time there was none kept in this town, but my husband ordered some from a Chicago traveler."

"I had been greatly afflicted with sudden attacks of cramps, nausea and vomiting. Tried all sorts of remedies and physicians, but obtained only temporary relief. As soon as I began to use the new food the cramps disappeared and have never returned."

"My old attacks of sick stomach were a little slower to yield, but by continuing the food that trouble has disappeared entirely. I am to-day perfectly well, can eat anything and everything I wish without paying the penalty that I used to. We would not keep house without Grape-Nuts."

"My husband was so delighted with the benefits I received that he has been recommending Grape-Nuts to his customers, and has built up a very large trade on the food. He tells them by the case to many of the leading physicians of the country, who recommend Grape-Nuts very generally. There is some satisfaction in using a really scientifically prepared food."
